JB PRITZKER, GOVERNOR

JOHN J. KIM, DIRECTOR

Notification That a Public Hearing Will Not Be Held for Proposed Revision to 35 Illinois Administrative Code Part 252

The Illinois Environmental Protection Agency (Illinois EPA) intends to submit proposed revisions to 35 Illinois Administrative Code Part 252 (Public Participation in the Air Pollution Control Program) and supporting documentation to the U.S.EPA for review and approval as a State Implementation Plan (SIP) revision to satisfy Clean Air Act (CAA) requirements for public participation under a SIP-approved Prevention of Significant Deterioration (PSD) Program [42 U.S.C. §§7410(a)(2)(C) and 7471].

On April 10, 2020, the Illinois EPA posted a Public Notice announcing the proposed revisions and the opening of a public comment period that would close on May 11, 2020 at 5:00 PM CST. The Illinois EPA posted this notice on its website at <https://www2.illinois.gov/epa/public-notices/Pages/general-notices.aspx>. The Public Notice stated that a public hearing would take place online at 1:30 PM on Monday, May 18, 2020, if a timely request for a public hearing was received by the Illinois EPA prior to the end of the comment period. The Illinois EPA did not receive such a request prior to the end of the public comment period.

Given that the Illinois EPA did not receive timely request for a public hearing, notice is hereby given that a public hearing will not be held on these proposed revisions to 35 IAC Part 252.

Jeffrey A. Guy, Illinois EPA Hearing Officer
Office of Community Relations
